Product specifications

PERGO® adapter profile for residential use

- Aluminium, silver tone
- Contents 1 PC = 1 aluminium adapter profile, 1 aluminium subprofile.
- Order quantity: per 1 PC in shrink-wrapping.

Product description

- This very slim and elegant profile can be used to make the transition between a higher and a lower floor.
- Can be used with **clicked** Pergo vinyl floors.
- Wear-resistant quality aluminium, silver tone.
- Installation with the supplied subprofile. Glue the sub-profile to the subfloor, then press the adapter profile into the subprofile.

Tip: use a hammer and e.g. the Pergo® tapping block as a help to press the adapter profile in the subprofile.
